Project Description

Principal's Priority

2

This grant is for upgrade and replacement of exercise equipment due to age and wear.

Benefits if Project is Funded

ASD goals of Career and Technology Education will encourage students and staff to take health and wellness opportunities to the next level by offering the safest and most effective equipment. Some activities will include increased cardiovascular/strength training exercises contributing to the wellness of staff and students. Our current equipment is not up to the current safety ratings for student use and is in dire need of replacement.

Yes
